Did you Drive/Operate							yes. Drove and started fine.			
Is there any cosmetic or mechanical damage that would affect the value or operation.							Main issue was the fuel tank needs replaced. (\$700) parts does not leak now but likely will later. Blades need replaced (\$75). Filter and oil changed 5 hours ago.			
Are hours displayed correct, if NO add notes							Correct. 575 current.			
Do all functions perform as they should							All worked			
Estimate for repairs to known Issues beyond set recon.							\$775. Blades and fuel tank.			
Tire/Track Condition:Do the tires have any significant damage, wear, or cuts? (do they need replaced)							Tires look decent.
